## **Second announcement**

### **INVITATION**

Welcome to the 16<sup>th</sup> International School-Conference “Spinus. Magnetic resonance and its applications” organized by Saint Petersburg State University since March 31 to April 5, 2019. The goal of Spinus Conference is to provide a platform to young scientists for the use of all aspects of magnetic resonance methods and techniques, as well as computational and theoretical approaches, for the solving of fundamental and applied problems in physics, chemistry, medicine and biology. The number of participants is limited by 200 persons. The official language of the Spinus is English.

### **SCOPE**

The scope of the Spinus Conference includes the following topics:

- Modern trends in NMR, ESR and NQR
- Magnetic resonance for fundamental science
- Magnetic resonance imaging
- Computer Modeling
- Earth's field NMR
- Magnetic resonance in industry
- Related areas

Extended abstracts will be published in the Book of Abstract.

Selected papers of participants will be published in a special issue of “Applied Magnetic Resonance”.

### **APPLICATION TO SPINUS 2019**

**You may apply for Spinus 2019 and download your abstract on [spinus.spb.ru](http://spinus.spb.ru) Application form until the 15<sup>th</sup> of February, 2019**

### **CONFERENCE FEE**

The participation fee is 13 000 ₺ (≈175 €) for active participants and 6 500 ₺ (≈85 €) for young scientists (students, Ph.D. students, and young scientists) and accompanying persons. For Russian citizens (their participation is supported by Russian funds) participation fees are 4 000 ₺ and 2 000 ₺ respectively. Participation fees include organization costs, visa support, conference materials, welcome-party, coffee breaks, transportation in the days of arrival and departure. **20% discount is available for early application and abstract uploading before December 3, 2018. AMPERE discount for non-Russian citizens.** If your annual Ampere Member fee has been paid (35€ for regular participant and 17,5€ for student) the registration fee will be reduced by this amount.

### **VISA SUPPORT**

The Organizing Committee can send an official invitation for a visa. If you need visa support for the participation in SPINUS-2019, please send email to [spinus@spinus.spb.ru](mailto:spinus@spinus.spb.ru) with a request as soon as possible because the preparation of the invitation takes about two weeks. **We strongly recommend you to begin the process of a visa invitation no later than February 15, 2019**

### **ABSTRACT AND PAPER SUBMISSION**

Abstracts up to 3 pages (including tables and figures) in the MS Word format, according to the conference template, should be uploaded to Spinus website application until the 1<sup>st</sup> of March, 2019. The abstract template will be available on the Spinus website. All accepted abstracts will be placed in Russian Science Citation Index and be available on the resource: [www.elibrary.ru](http://www.elibrary.ru).

In 2019 selected papers of the participants will be published in a special issue of "Applied Magnetic Resonance" with the standard reviewing process (the journal is indexed by Web of Science and Scopus). The journal website is <http://www.springer.com/materials/journal/723>. Articles prepared in accordance with the requirements of the journal should be sent to the e-mail address: [spinus@spinus.spb.ru](mailto:spinus@spinus.spb.ru) (please put the subject "Spinus-2019 AMR-paper"). Deadline for the manuscript submission: May, 31, 2019

## LOCATION

Spinus-2019 will take place at the hotel "Baltiyskiy" in Repino near the beach of the Gulf of Finland, 30 km north-west from the center of St. Petersburg (<http://baltiyskiy.ru/>). The minimal cost for a one-day stay in the hotel (full board including also swimming pool and sauna) is 3 451 rub. ( $\approx 45$  €) for two persons in a double room, i.e. 1725.5 rub per a person. It is possible to book a single room: the price varies from 2389 rub. to 3350 rub per day. **The reservation of rooms is possible until March 25, 2019, but only after payment of the registration fee in time.** See the detailed information on the conference website. Information about transfer to the hotel "Baltiyskiy" will be available on the conference site

## ORGANIZING COMMITTEE

**Chairman:**

Prof. Denis Markelov

**Vice-chairman:**

M. Sc. Alexandr Ievlev

**Committee members:**

Dr. Andrey Egorov

Dr. Marina Shelyapina

Dr. Pavel Kupriyanov

Dr. Konstantin Tutukin

M. Sc. Timofey Popov

**Scientific adviser of the School-Conference "Spinus"** Professor Vladimir Chizhik

## ADVISORY BOARD

**Chairman**

V.I. Chizhik Professor, Saint-Petersburg State University, St. Petersburg, Russia

**Scientific Advisory Board Members**

V. Balevicius Professor, Vilnius University Vilnius, Lithuania

C. Cabal. Professor, Havana University, Cuba.

S.V. Dvinskikh Professor, Royal Institute of Technology, Stockholm, Sweden

J. Fraissard Professor, University Pierre and Marie Curie, Paris, France

L.Yu. Grunin Associate Professor, CEO, Resonance Systems, Russia

E. Lahderanta Professor, Lappeentanta Technical University, Finland

D. Michel Professor, Leipzig University, Germany

B. Rameev Professor, Gebze Technical University, Turkey

N.R. Skrynnikov Professor, St. Petersburg University, Russia, Purdue University, USA

M.S. Tagirov Professor, Kazan Federal University, Russia

L.M. Varela Professor, University Santiago de Compostela, Spain

S. Vasiliev Professor, University of Turku, Finland
